

God is Peace

We all want peace. In fact, we crave it! But how can we achieve it?

We know that one of the gifts of the Holy Spirit is peace. It's free to all who ask. It is God's desire that we walk and live in peace, his perfect peace.

Here are some Bible verses regarding peace...

God, the source of all hope will fill you completely with joy, hope, and peace because you trust in him. Rom. 15:13

He will keep in perfect peace all whose mind is steadfast because he trusts in you. Isaiah 26:3

The Lord gives strength to his people; the Lord blesses his people with peace. Ps 29:11

Be anxious for nothing but in everything through prayer and petition, with thanksgiving let your requests be known to God and the peace that surpasses all understanding will guard your hearts and minds in Christ Jesus. Phil 4:6,7

He not only gives us peace; He is our peace!
